To: Principals, Participating BTSA Teachers, Grades K-8	Date: 4/10/08	No. 080552
Subject: BTSA/CSUB Units Process		
Prepared By: Valerie Saylor, Supervisor I, New Teacher Support		
Approved By: Dr. Ruth Holton, Assistant Superintendent, Instruction		Page 1 of 2

CSUB UNITS PROCESS FOR CFASST WORK IN BTSA

The process for buying California State University, Bakersfield Extended University units for your California Formative Assessment and Support System for Teachers (CFASST) work through BTSA is as follows:

- Anyone who has completed a year of CFASST work (whether clearing your credential through BTSA or not) can purchase 4 quarter units through California State University, Bakersfield. You may purchase 4 units at the end of Year One, and another 4 at the end of Year Two, or you may purchase all 8 at the end of Year Two. Support Providers are eligible for 4 units per year with a maximum of 2 years. The fee is \$45 per unit, making one year of CFASST \$180 and two years \$360. Purchasing of units is offered to participants as an option, if you are not interested, please disregard this notice.
- If you would like to purchase units, fill out the attached registration form and return to Dee Dee Harrison, Program Specialist, New Teacher Support. DO NOT send anything directly to CSUB. Include payment with your registration form. You may pay by credit card or with a check made payable to CSUB Extended University. You may choose to hand carry your registration to Dee Dee Harrison, New Teacher Support at the Education Center, or you may send through District mail. If you are sending through District mail, you will receive an e-mail confirmation that your registration has been received.
- After you have registered, there will be a CFASST materials check. These materials checks will take place on eight different dates (registration information in TAB), so you will have plenty of opportunity to have your materials checked for completion. If your CFASST work is done for the year(s) that you are purchasing units for, CSUB will be notified and you will receive the units on your transcript. Support providers who are buying units need to contact Valerie Saylor for requirements as you do not have a CFASST materials check.
- Units post in June. It is the responsibility of the BTSA Participant/Support Provider to order a transcript and submit to BCSD Personnel.
- A registration form is attached.

Please contact Dee Dee Harrison at harrisonj@bcsd.com or 631-4651 if you have any further questions.

The deadline for submitting registration with payment to Dee Dee Harrison is May 9, 2008. Forms received after this date will be returned to sender.
