Teacher Editions will be sent to school sites as soon as they arrive. School book clerks will need to check in the materials and enter them into the Text Trak System before distributing to teachers. This will need to be completed prior to the first training date.

Please bring your Teacher Edition, Volume 1 to the Overview Training.

Teachers will be paid the project rate for their attendance at the training.

Call Kelly Sanchez at extension 14874 to make a reservation for the training.
